Implementation

Tab4 label:

Review & Scaling Up

Image 3:

USG makes core investments

in inclusive agriculture sector growth and improved nutritional status. Technical assistance is provided and accountability systems are developed or improved.

Areas of investment include:

Women's empowerment

Diet quality & diversification

Post-harvest infrastructure

High-quality inputs

Financial services

3 Implementation

STATUS **IN PROGRESS**

Image 4:

Progress on FTF objectives is measured against the results framework. A review of all Feed the Future programming will occur annually. **The first progress report was published in Fall 2012.**

4 Review & Scaling Up

STATUS **IN PROGRESS**
